TGIFAIRPLAY CONCERT SERIES SUMMER KICKOFF CELEBRATION

JUNE 26 6-9PM

A BROTHER'S FOUNTAIN

A Colorado-based band with a folk-inspired sound you always wanted to hear, but never knew existed. Some categorize them as Indie Folk. Others call them an Americana band. A Brother's Fountain knows they belong to a genre all its own: Campfire Folk. Songs range from rowdy and anthemic to reflective, laid-back sing-alongs. Keep an ear out to hear their trademark 'gang vocals' that invite the listener to throw their voice into the anthem.
